

SUPERIOR STYLING, HANDCRAFTED QUALITY AND EXCEPTIONAL PERFORMANCE

The V3000 Series awning window provides superior style and handcrafted quality with specially designed, multi-point window locking hardware to help keep your family safe and secure.

- **New Construction model 9660:** Featuring energy-efficient features including triple-point weatherstripping, double-pane insulating glass, and a multi-chambered mainframe.
- Also available with an optional brickmould accessory for a decorative look around the window exterior.
- **Replacement model 1665:** Ideally suited as a replacement window, our finless awning window can be enhanced with triple-pane glass and a painted exterior, making this window not only stylish but also energy efficient.
- Choose from 3 interior frame colors and 9 exterior frame colors
